

Argus Advisory – March 29, 2017 (term 10-week 3)

State Testing (Extra Credit Opportunity)

All 11th grade students will complete state testing Monday, April 3rd – Thursday, April 6th. Students are expected to attend, on time, each day of testing with their **charged Chromebook**. Students will earn extra credit for testing!

Seminars (Extra Credit Opportunity)

10th & 12th grade students will attend a variety of activities/guest speakers Monday, April 3rd – Thursday, April 6th. For attending each day with a charged Chromebook, on time, students will earn extra credit. Seniors, who need no elective credit, can work with Ms. Koster to earn English credit. More details will be given during the 1st seminar on Monday.

Annual College/Career Faire – Friday, April 7th (Extra Credit Opportunity)

Argus and Endeavor will host a College/Career Faire on Friday, April 7th. Representatives from different trade schools, colleges, branches of the military as well as employment opportunities will answer questions and share information with students. With the completion of an activity form, students can earn ½ an elective credit.

Summer School 2017 (Extra Credit Opportunity)

Argus students will have three different summer school options for credit recovery. **All summer school enrollments will start after spring break.** Specific dates will be announced in future bulletins.

Dress Code Reminder

Attire which is sexually suggestive or extremely brief is not allowed. This includes, low-cut garments, strapless or string strap tops, bare midriffs, exposed undergarments or extremely short skirts/shorts.

Term 10 ends on Friday, March 31

Advisors have transcripts to share with students regarding student progress and if a class change is necessary. Term 11 class change requests need to be made today to a student's advisor. Students with a "smiley face" sticker on their transcript are on track for graduate checkout on May 26th.
